Защита фронтной группы

От имени фронтной группы на трибу-
ну выходит Кучухин.
Товарищи, советам истинного Съезда
друзья преступают, обидно, что неособо-
дальности во велик армянских организа-
циях и все армянская организация явля-
ются по чинству ряду серьезных обще-
ственных принципов Съезда несоответ-
ственным.

После выступления П. И. К., внима-
тельного за советом Съезда является
армянская организация имени Съезда
своих представителей, но есть и такие
их довольно много, которых не похва-
ляют.

В этот момент Съезд армян не знает
полного своего представителя и сядо-
вольно его не может быть, принимая
во внимание (голос с места: отъ чего
имени вы говорите?).
